

Unroll in Soti/Mobi MDM System

1. iPad Settings
 - General
 - Profiles and Device management
- Remove (all) current profiles
- MobiControl Management
 - MobiControl Trust Profile
 - (If you have additional Profiles please remove them as well)

Enrolling to AirWatch MDM System

2. Launch iPad Settings
 - Go to iTunes
 - Enter/Confirm the Apple ID and Password assigned to the device (or Assign a Apple ID)
3. Launch Safari to perform Web Enrollment for AirWatch.
 - Enter in "goo.gl/c3ixep"
 - Follow AirWatch Prompts
 - Enter in the assigned "Group ID"
 - "Contact CST at 855-663-1231 for your Group ID"
 - Input in the Username and Password
 - Username: Stratus2
 - Password: stratus2
 - Input the "Asset Name" 10-Digit Login Number
 - Tap on "Redirect and Enable"
 - Follow prompts/pop-ups to install MDM profiles
 - Tap on "Install"
 - Tap on "Install"
 - Tap on "Install"
 - Tap on "Trust"
 - Tap on "Done"
 - Device will redirect you back to Safari
 - Press on "Home" button to exit
4. Go to the home page
 - Click on Stratus Apps Icon
 - Select the Stratus App to install (This may require the Apple ID password)
